**About the foundation...**

The Children's Tumor Foundation is a non-profit 501(c)(3) medical foundation, dedicated to improving the health and well being of individuals and families affected by the neurofibromatosis (NF). (Tax ID#13-2298956)

**The mission of the Children's Tumor Foundation is to:**

-  Encourage and support research and the development of treatments and cures for neurofibromatosis types 1 and 2, schwannomatosis and related disorders.
-  Assist in the development of clinical centers, best practices and other patient support mechanisms (but not including direct medical care) to create better access to quality healthcare for affected individuals.
-  Expand public awareness of NF to promote earlier and accurate diagnosis. And, support persons with NF, their families and caregivers by providing thorough, accurate, current and readily accessible information.
